16 Democratic Assembly members urge Dane County DA to file new charges against Gov. Scott Walker.

MADISON - I'm just back from a road trip yesterday, which took me up to Green Bay and then down to Racine, and that reminds me to let you know that I'm available to come talk in your own community if you can arrange it. Just shoot me an email at rothschild@wisdc.org.

Meanwhile, before the weekend is in full swing, I'd like to tell you what we've been up to this week.

One key development, which got virtually no coverage in the statewide media, is that 16 Democratic Assembly members wrote a letter on Thursday urging Dane County District Attorney Ismael Ozanne to file new charges against Gov. Scott Walker. Check it out here:

And our research team did some original work examining the local government background of our state legislators to figure out why so many Republicans have been curbing local control. In fact, even though many had actually served in local government, respect for their roots has given way to party loyalty:

That's all for now. Enjoy the weekend! Go Badgers...
