Wis Democracy Campaign - Evers's Bold Budget

MADISON - I really liked Gov. Evers's budget, and the way he talked about it, as I explain here:

Praise for Governor Evers's Budget

If you liked it too, please write to your legislators and let them know the parts of his budget that are most important to you. Here's some info on how you contact your legislators:

Over the past few days, we've been busy following some money trails. One involves those bogus GOP "electors" who tried to present themselves as the real Wisconsin electors to the Electoral College. Here are the donations they've given to candidates in Wisconsin:

Accused GOP Electors Contributed Nearly $14K to State Candidates

And in a story that we broke at the Wisconsin Democracy Campaign, Scott Fitzgerald, while he was Majority Leader in the State Senate, reached a settlement with the Wisconsin Ethics Committee for taking in contributions above the legal limit. And another campaign committee that he ran for Wisconsin candidates also had violations that it settled:

Fitzgerald Cited for Campaign Violation But Doesn't Pay Penalty

We also updated all the spending by PACs in last year's elections. Here's a handy little table of the spenders, from biggest to smallest:

Independent Expenditure Totals Fall 2020

As you can see, we've been keeping tabs!

I hope you find this information useful, and enjoy the warmer weather this weekend.

Best,
