GREEN BAY, WI - The Green Bay Public Works Department is announcing on behalf of the Wisconsin Department of Transportation the temporary closure of the Donald A. Tilleman Bridge (Mason Street over the Fox River) for annual fall maintenance activities.

Traffic Impacts

Monday, November 8. Closed 8:00 a.m. Open 1:00 p.m.

Closed east of the Fox River on East Mason Street at South Monroe Avenue.

Closed west of the Fox River on West Mason Street at South Ashland Avenue.

Detour

Detour is South Ashland Avenue, Walnut Street, and South Monroe Avenue.

Access to residences and businesses will be maintained. All closures, detours, and work operations are weather dependent and subject to change. Motorists should anticipate backups, use caution while driving through the work zone, and are encouraged to find alternate routes.
