“This year’s holiday displays are outstanding, and we are so glad to be able to once again welcome folks back for tours at the Residence to see these decorations in person,” said First Lady Evers.

MADISON — Gov. Tony Evers and First Lady Kathy Evers today shared a video message with Wisconsinites detailing the 2022 Executive Residence holiday decorations honoring fallen heroes and veterans and celebrating local area businesses and producers, advocacy organizations, kids and schools, and the state’s vast and valuable freshwater resources. A virtual tour of the Residence decorations with the governor and first lady is available [here](#).

“From the annual Tribute to Our Troops Tree to our efforts to raise awareness around Alzheimer’s disease and dementia to this year’s Capitol Holiday Tree theme, ‘Wisconsin Waters,’ the Residence staff, community partners, and volunteers always go above and beyond to decorate for the holidays, and this year was no different,” said Gov. Evers. “We are also grateful to everyone who contributed to our book drive for kids and holiday food drive to help families in need this holiday season, as well as all the dedicated docents that have volunteered to help guide hundreds of visitors on tours of the Residence to showcase the amazing holiday decorations.”
