State has no specific unified system for reporting, investigating and collecting data for incidences of human trafficking. Task Force hopes for change.

MADISON, WI- In August 2023, Representative Shelia Stubbs joined Wisconsin's bipartisan Speaker's Task Force on Human Trafficking. Today, the Task Force held a press conference before their first informational hearing. Rep. Stubbs (D-Madison) released the following statement:

"First, I would like to thank Speaker Robin Vos for creating a bipartisan Speaker's Task Force on Human Trafficking. I would also like to congratulate Representative Jerry O'Connor for serving as the chair and Representative Jodi Emerson for serving as the Vice Chair of this task force. I would also like to thank and congratulate all of my colleagues who are coming together in this endeavor. Additionally, I would like to thank the organizations and individuals across the state of Wisconsin who advocate for and provide critical services to survivors of human trafficking. Now I would like to take a moment of silence for all of the victims of human trafficking.
