Residents will not be allowed to conduct business in person at City Hall after March 17, 2020 at 4:30 pm due to the COVID-19 crisis. Please access services either by phone or via the internet.

Green Bay, WI - Mayor Eric Genrich makes the safety of all community members his paramount concern. In his efforts to protect the public, he will close City Hall, 100 North Jefferson, Green Bay, WI, to in-person visits from public, beginning March 17, 2020 at 4:30 pm.

Members of the public will be able to access services either by phone or via the internet. Below is an outline of the services provided, and the City will post a more detailed explanation of services, with contact information, on its website (www.greenbaywi.gov) by tomorrow morning, March 18, 2020. The City will place drop-boxes outside City Hall, by the north Jefferson Street Door, for the following departments: Community & Economic Development, Public Works, Human Resources, Parks, Clerks, and General.
