Honor on State Day of Service and Remembrance.

MADISON — On Thursday, Gov. Tony Evers signed Executive Order #88 ordering the flags of the United States and the state of Wisconsin to be flown at half-staff on Friday in remembrance of the nearly 3,000 lives lost in the attacks on Sep. 11, 2001 and in honor of the State Day of Service.

“On the 19th anniversary of September 11th, we pay tribute to the those who lost their lives, the survivors and surviving family members and loved ones, and the first responders, volunteers, and other countless heroes who responded during a time of great need,” said Gov. Evers. “We continue to strive toward that which has held us together when tragedy strikes, our resilience, our spirit of service, and the resolve to find strength through unity and purpose.”

The governor encourages Wisconsinites who wish to participate in the State Day of Service to do so safely by following all [Wisconsin Department of Health Services recommendations](#). Wisconsinites can participate by finding service opportunities in their neighborhoods and
