Governor has sent grants to small businesses and family farms, expanded internet access, kept unemployment low, and signed a tax cut.

MADISON, Wis. — Under Governor Tony Evers' common sense leadership, Wisconsin's economy is booming with the [lowest unemployment rate in state history](#) , [one of the highest labor force participation rates in the nation](#)

, a [projected record-breaking budget surplus](#)

, [thousands of new and expanded small businesses](#)

, and a [15% tax cut for families](#)

.

Here's just a few reasons why Wisconsin's economy is booming:
