***It's important to cast your vote for president, and voting in the other races is just as important! Every single vote will make a difference.***

MADISON - Sitting this one out isn't an option: Today is Election Day, and we need you to go vote.

**[Polls are open from 7:00 a.m. to 8:00 p.m. Find your polling place, grab your ID, and then go vote!](#)**

Today, Wisconsinites across the state are going to be heading to the polls to vote, and I need you to be out there alongside them. It's more important than ever to join together and show our support for progressive candidates.

While it's important to cast your vote for president, voting in the other races is just as important! I urge you to vote for Judge **JoAnne Kloppenburg**. Every single vote will make a difference.

That's why it's so important that you get to the polls today before 8:00 p.m. -- and make sure you're prepared. You'll need a government-issued ID: Like a driver's license, military ID, passport, or a state photo ID.

If you're not registered yet, you can still vote by registering at the polls by bringing proof of residency. So bring your friends any time by 8:00 p.m. and join Wisconsin in making sure we're electing the right progressives. **And, if you're still in line after 8:00 p.m., STAY IN LINE -- you are legally allowed to vote.**

**Please don't sit this one out -- it's just too important. Find your polling place. Make a plan. Bring a friend. Vote!**
