SE WI NORML to hold 8th annual march at MacArthur Square in downtown Milwaukee on Saturday, May 5th.

MILWAUKEE – On Saturday, May 5th, Southeastern Wisconsin NORML (SE WI NORML) will host the 8th annual march to legalize cannabis in Wisconsin at MacArthur Square in downtown Milwaukee.

The March for Cannabis will unite cannabis supporters and advocates to bring greater awareness to the issues of prohibition, demonstrate the amount of support Wisconsin has for legalization, and have a stronger and unified voice in the 2018 elections. The March for Cannabis brings awareness to how legalizing and regulating cannabis like alcohol would offer economical, medical, environmental, and racial, social & criminal justice benefits to Wisconsin and its residents.
