MILWAUKEE - We discuss the horrific vote by Senate Republicans to cancel the state health emergency and the mask mandate while also nixing COVID-19 relief. The panel welcomes State Senator Chris Larson to talk about Tuesday's Senate vote and the policy atrocities taking place at the State Capital. Is there any rationale for the actions of the majority at all, or are we witnessing reckless disregard for human life?

We close with a scouting report on President Biden's new executive orders this week on climate and healthcare. Do they signal a bold new progressive direction for our national government?
