MADISON - There's a big press conference at the **State Capitol on Tuesday, July 27, at 10:30 a.m.** in the Assembly Parlor, and you're invited!

Several elected officials are introducing a crucial package of campaign finance reform bills that would limit big and dark money, require disclosure, and offer Wisconsinites a chance to vote on a nonbinding referendum to overturn Citizens United.

I hope you can make it!

On the subject of campaign finance, we published a list of the biggest donors to Gov. Evers, which you can read here:

[Evers Pulls Down Three Dozen \\$20K Contributions, Another Mil From State Dems](#)

Meanwhile, this week, our colleague luscely Flores wrote a couple of terrific pieces.

Her first, on Giannis Antetokounmpo, immigrants, and Republican hypocrisy, you can read here:

[Giannis Triumphed, Immigrants Attacked](#)

And her second one, on the need for a \$15 an hour minimum wage, is here:

[Wisconsinites Need a Living Wage Now!](#)

I hope you like these offerings, and I hope to see you Tuesday!
