MILWAUKEE - We preview the final 40th Anniversary event next Tuesday, April 30th, 6pm, in Eau Claire. Robert reminds connects are 40th birthday to the abuses of the large hospital monopolies who recently ripped a huge hole in the health care safety net in their craven pursuit of profit. We talk about the new report showing among the fastest rising in the nation rents in Wisconsin and Milwaukee. We look at the racist plan to “wreak havoc” on voting rights group Souls to the Polls by the new executive director of the Wisconsin Republican Party.

Wisconsin’s sleepy environmental regulators abandon rules on nitrates pollution and a Republican state legislator on the powerful Joint Finance Committee anonymously blocks opioid treatment money. What does this say about the anti-democracy state Legislature’s failure to lead on these and other critical issues. We continue to encourage progressive candidates to see the generational opportunity the fairer maps provide the progressive movement.

Trump is headed back to Wisconsin next week between trial dates as the Arizona AG indicts Trump’s fake electors and Trump campaign co-conspirators. That is now 4 states who have taken action, why is Wisconsin letting the election subverters get off scott free?.

Robert and Matt have a bull session on the Chicago Bears’ unveiling of a \$4.2 billion public shakedown on top of White Sox demand for \$2 billion. What Wisconsin can teach Illinois about
