STATEWIDE - We conduct an autopsy of RyanCare while looking ahead to emerging threats and opportunities in the battle for the future of health care in America. The panel speculates on the future of Paul Ryan in the aftermath of his healthcare debacle.

We discuss Trump’s dangerous executive order reneging on our international obligations to fight climate change.

We welcome the executive director of Wisconsin League of Women Voters, Andrea Kaminski, to unpack the conservative campaign to call a Constitutional Convention.

We encourage listeners to participate in the upcoming public hearings on the state budget that start on Monday (see list of JFC public hearings below). This is GOTV (Get Out The Vote) weekend for Spring elections on Tuesday, April 4th. Citizen Action reminds you to vote for Tony Evers on Tuesday and get out and volunteer this weekend.

We close the podcast celebrating the arrival of an election opponent for controversial Milwaukee County Sheriff David Clarke in 2018.
