People from all over Wisconsin are joining with Citizen Action to kill this disastrous bill in the Senate.

MILWAUKEE - Thursday Donald Trump and Paul Ryan forced through the House by the thinnest of margins their morally reprehensible health care bill.

But as long as we keep fighting the battle is far from over. The solution, as it always is in America, is more democracy.

The House would have passed this bill months ago if it was not for the unprecedented outpouring of democratic engagement from citizens like you. If we keep it up, we can kill this disastrous bill in the Senate.

Citizen Action of Wisconsin is leading the fight. We had 4 major rallies across the state during the vote on Thursday and had a big rapid response rally Friday in front of Senator Ron Johnson's Milwaukee office.

People from all over Wisconsin are joining with Citizen Action in unprecedented numbers.

[We need to keep on fighting until we have established health care as a fundamental right in America.](#)

[We can continue to organize a powerful opposition if we have the resources.](#)
