Walker's plan to give Kimberly-Clark a Foxconn-style public subsidy, we preview our Democratic Governor candidate forum in Eau Claire, and more...

STATEWIDE - We discuss Gov. Walker's plan to lure Kimberly-Clark a Foxconn-style public subsidy.

We then dig into what elected Democrats from the region and the some of the Democrat governor candidates are saying and proposing as alternatives. We preview our Democratic Governor candidate forum in Eau Claire this Saturday at 9:30 am that will kick off Citizen Action's endorsement process.

We also talk about the new data showing unexpectedly high enrollment in Obamacare. What are the implications for the GOP's sabotage and repeal crusade.
