Talk about the latest MU Law poll and the onslaught of new political TV ads, Democrats in rural and small town areas, and the marijuana referendums in Wisconsin.

STATEWIDE - Our panel dissects the new MU Law poll and the onslaught of new political TV ads (spoiler alert: the Governor's race is a toss up). We then welcome Citizen Action Co-op member and State Assembly 60th District candidate Chris Rahlf who is running a strong campaign in a long time Republican district. We discuss the opportunities for Democrats in rural and small town areas and encourage volunteers to join Chris and knock doors untouched for years. Southeastern Wisconsin NORML ED Eric Marsch joins us to update listeners on the marijuana referendums in Wisconsin and marijuana legalization polling at 61%!
