

***Panel discusses the latest MU Law poll, dirty campaign tactics, Senator Chris Larson, and the State Senate.***

---

STATEWIDE - Our panel analyzes the latest MU Law poll. We review how healthcare is becoming a dominant issue in the election, particularly Walker's support for allowing discrimination against people with pre-existing health conditions. We also discuss the sleazy effort to divide the Bryce family by featuring Randy's brother in an ugly negative ad that drew a heartfelt angry response from Randy's mother.

We welcome State Senator Chris Larson to discuss the huge opportunities for Democrats in the State Senate this November. Sen. Larson reviews all the important Senate races and promotes our important fundraiser on Thursday, October 4th for Citizen Action organizer Jeff Smith who is running for State Senate in the Eau Claire area in a must win race. Fundraiser is at Big Head Brewing Co., 6204 W. State St. Wauwatosa.
