

MILWAUKEE - We discuss the growing death toll of white supremacist terrorism, last week's mass shootings, and the tepid response from Wisconsin GOP leaders. State Senator Jon Erpenbach joins us to talk about this week's introduction of legislation to expand BadgerCare. A new study says Foxconn jobs will cost state us $170,000 - $290,000 per job, or an astounding 6 to 10 times the national average. Finally, Citizen Action co-op organizer Noah Reif tells us about door canvassing this Saturday at 10 am in Black River Falls and next Saturday in Menominee.
