MILWAUKEE - Working Families Party’s Rebecca Lynch leads our discussion on the controversial Working Families Party endorsement of Elizabeth Warren. Then we welcome UAW Local 722’s Steve Frisque, live from a Wisconsin picket line to talk about the GM strike. We weigh-in on House Speaker Nancy Pelosi’s bold new prescription drug plan. Will Trump follow-through on his campaign promises and support it, or will he again cave to Big Pharma? Finally we discuss vaping illnesses and the push to legalize and regulate THC in Wisconsin, and Friday’s international climate strike which is coming to many Wisconsin cities.
