STATEWIDE - Remaining safer at home, the panel discuss COVID-19 and Citizen Action's call for free treatment and other critical health care emergency actions needed to contain the pandemic. We dig into dysfunctional political situation in Wisconsin that is careening into a dangerous and anti-democratic election on April 7th. We urge listeners to get their absentee ballots in immediately and encourage everyone to remind friends, family and social networks to do the same. Finally, we dive into a conversation about healthcare workers being fired for speaking out about lack of proper gear and unsafe conditions.
