Jaeger appalled at GOP holding their annual State Convention in person, in Wisconsin's second largest COVID-19 hot spot, and their careless disregard for the safety of Brown County residents.

GREEN BAY, WI - I said it last week, and I'll say it again: We can't pretend our way out of this pandemic—we're all in the together and we need to start behaving that way.

I was appalled to see that our Wisconsin Republican Party insisted on holding their annual State Convention in person, in Wisconsin's second largest COVID-19 hot spot, in the midst of two consecutive record-setting days of new confirmed cases. As a Marinette County Board member from the Town of Peshtigo, I was shocked at their careless disregard for the safety of Brown County residents.
