We are under two weeks out from Election Day, but you don't have to wait to make your voice heard. So get out and vote early, Wisconsin!

MADISON - Lt. Gov. Mandela Barnes Thursday delivered the Democratic Radio Address on the start of early in-person voting in the state, including some important reminders for Wisconsin voters in order for them to vote safely.

Hey Wisconsin! This week marked the start of early in-person voting in our state.

Here are just a few things to remember about early in-person voting:

One - hours and locations depend on where you live, so go to myvote.wi.gov to find in-person absentee voting options or contact your local clerk's office to find out where and when you can vote early.

Two - when you go vote, make sure you don't forget to bring your photo ID, your mask, some hand sanitizer, and your own black or blue pen if you can.

Three - if you aren't registered at your current address yet, no problem. You can register at your early in-person voting location. Just be sure to also bring a proof of residence. Check if you're registered and learn more about proof of residence at myvote.wi.gov as well.
