Wisconsinites from all walks of life tell their stories.

WISCONSIN -- For nearly four years Donald Trump's gross incompetence and failed leadership has crushed Wisconsin's agriculture and manufacturing industry, sabotaged workers, and threatened the health care of over a million Wisconsinites. COVID-19 has shined a light on the administration's dangerous negligence, and voters across Wisconsin are demanding new leadership, and are united in their efforts to put Joe Biden and Kamala Harris in the White House.

Click the links below to hear why Wisconsinites from all walks of life are sick of Trump's failed presidency:
