MADISON, Wis. – Gov. Tony Evers released the following statement thanking Congressman Ron Kind for his decades of service to the state:

"For more than two decades western Wisconsin has been able to count on Ron Kind. Thanks to his tremendous leadership, countless small businesses, farmers, and families have a brighter future ahead of them. While his voice in Congress is going to be sorely missed, his legacy as a pragmatic and selfless leader will continue to move Wisconsin forward. I wish Ron, Tawni, and their entire family well on their next chapter and I'm confident they'll continue to play an important role in the direction of our state."
