MADISON – Wisconsin State Representative Greta Neubauer (D-Racine) released the following statement following her election as Assembly Democratic Leader:

“First and foremost, I would like to thank Rep. Hintz and Rep. Hesselbein again for their service to our caucus and to the people of Wisconsin. Their leadership over the past four years has been invaluable, and I look forward to continuing the hard work of making Wisconsin a place where we all can thrive.

“As Assembly Democratic Leader, I will work to build the relationships, the strategy, and the infrastructure to move our shared values and priorities forward. I will make tough decisions and push back when necessary. And I will do everything in my power to provide more opportunities for every member to lead on the issues they are most passionate about.

“I am extremely grateful for the support I have received from my colleagues today and for their vote of confidence. I look forward to continuing our work to build a more equitable and resilient Wisconsin.”
