Website provides one-stop shop for statewide election information and simple tools to help Wisconsin voters navigate the voting process.

MADISON, WI – The League of Women Voters of Wisconsin launched its [VOTE411.org](https://www.vote411.org) voter guide for the General Election on November 8.

This one-stop shop for statewide election information provides simple tools to help Wisconsin voters navigate the voting process. These include candidate information, voter registration tools, polling place information and other helpful Election Day resources.

“VOTE411 sets voters up with the tools they need to feel prepared to cast their ballot whether they vote in person or absentee,” said Eileen Newcomer, LWVWI Voter Education Manager. “Voters can find important information they need in order to choose the candidates that align with their values and prioritize the issues they care about.”

The League of Women Voters of Wisconsin’s voter guide includes information on all the candidates running for office in the fall election – including candidates running for state offices such as the governor, lieutenant governor, secretary of state, state treasurer, state senate and assembly as well as federal offices like U.S. Senate and House of Representatives.
