WASHINGTON - The following is a statement from Julie Chavez Rodriguez, campaign manager for Biden-Harris 2024:

"Latinas are one of the fastest growing groups in our country, excelling in every industry. But Latinas continue to face a significant wage gap. In 2023, this is a clear reminder of the economic obstacles these trabajadoras continue to face. Today on Latina Equal Pay Day, we must reiterate our commitment to make sure that Latinas receive fair and equal pay for their hard work and invaluable contributions to our country. President Biden and Vice President Harris will continue to fight for equal pay for Latinas and all women."
