EAU CLAIRE, WI - With the spring election just two weeks away, we're excited to introduce you to Judy Gatlin, running for Eau Claire County Board!

Judy is a long-time resident of her district and the community. She is an original member of the Eau Claire Alliance for Strong Communities board, serves on the 15 Now Northwest Wisconsin steering committee, and chairs the Community Services Committee of the Area Labor Council.

Her leadership in the community reflects her commitment to improving the lives of the area's residents.

In her own words, Judy "believes a county can only be prosperous if its residents are safe and healthy. Policymakers and municipal leaders should hold steadfast to the elements which maintain that stability." Judy seeks to promote a local government that protects tax dollars, promotes a living wage, and preserves local control.

Help Judy accomplish these goals by contributing by mail to her campaign at Judy Gatlin for County Board 1810 Birch Street Eau Claire, WI 54703.

Thanks for supporting these great candidates!
