MADISON - 1,641 miles. This campaign has gone from Curtiss to Wausau to Green Bay to Milwaukee to La Crosse - with many stops in between. Each mile over the first two-weeks of the kick-off tour showcased Wisconsin's beauty as well as its current challenges.

Our debut campaign video captures the energy of day one on the farm. It gets to the heart of why Mike is running. It offers a glimpse of Mike's vision for a more just and equitable future for Wisconsin.
