

We should all hold our heads high and know that we fought the good fight and we worked as hard as we can.

GREEN BAY, wi - Before the polls close tonight and this election cycle comes to end, I want to personally thank each and everyone of you for your support of this campaign.

Win or lose tonight, it is truly astonishing what we have accomplished together. Thanks to your help, we will end this campaign having knocked on over 40,000 doors and have received close to \$110,000 in campaign contributions.

Whatever tonight and tomorrow brings, we should all hold our heads high and know that we fought the good fight and we worked as hard as we possibly could to ensure a better future for all of our communities.

Having your help knocking doors, making phone calls, financing this campaign, and most importantly your vote is truly a once in a life time blessing.

From my family to yours, thank you!
