MILWAUKEE - We discuss Gov. Walker's attempt again to wash his hands of any responsibility for protecting health care coverage for over 184,000 Wisconsinites at risk because of a U.S. Supreme Court case, and GOP plans to repeal prevailing wage in the state budget.

We welcome Tom Frazier, Former Executive Director of the Coalition of Wisconsin's Aging Groups to discuss Walker's shocking and unplanned changes to long term care in Wisconsin. We also talk spring elections, including a closer look at the political power grab by the WMC to undermine the public's right to decide who is the chief justice of the Wisconsin Supreme Court.
