

"Military Threat to Wisconsin's Budget" - Battleground Wisconsin Podcast

Written by Citizen Action of Wisconsin, Robert Kraig
Saturday, 18 April 2015 12:36 -

MILWAUKEE - We welcome Jon Peacock, director of Wisconsin Budget Project, to talk about his new report outlining three simple changes to the state budget that could result in \$782 million in revenue without raising taxes. This could prevent cuts to UW System, public education and access to healthcare.

Jen Epps Addison recaps events from 4/15 day strike for \$15 and a union. Finally, Robert Kraig discusses the military threat to Wisconsin's budget.
