MILWAUKEE - We discuss Scott Walker and the GOP's efforts to expand their cloak of secrecy over open government in Wisconsin. We welcome 13-year-old Leslie Flores from Waukesha, who recently made national headlines by confronting Scott Walker on immigration in Iowa. The panel digs into the latest WEDC scandals.

We also look at progress on fair wages, including a discussion with Dave Somerscales from SEIU Local 1 on the fight of Milwaukee janitors for a living wage, and New York's new \$15 minimum wage for fast food workers. We examine how the Obama Administration is pressuring Wisconsin to negotiate lower health insurance premiums, and Scott Walker's bellicose campaign rhetoric, threatening an attack on Iran on his first day in office.
