MILWAUKEE - We welcome Ruth Conniff, Editor-in-Chief of The Progressive, to talk about Scott Walker's return to "governing" in Wisconsin and potential opportunities for the progressive movement. Ruth discusses The Progressive's Public School Shakedown Project that is exposing the privatizers of public education and highlighting people on the front lines of public education.

We also discuss conservative legislative efforts to gut GAB and the civil service, and reveal a new bigoted bill that targets transgender youth in Wisconsin schools.
