MILWAUKEE - We discuss the worker strike at Kohler Co. with former UAW Local 883 president & current UAW District 4 Rep. Pete Behrensprung. We talk about the history between the union and the company, key issues at stake and how you can help. We provide details on this Saturday's mass picket from 9am to 3pm.

Robert Kraig educates us on UW graduate student assistants efforts for a new pay plan. Jorna has another installment of the Paul Ryan Watch - including Paul's inquiring into what coffee their office should switch to.

We shame Rep. Kramer and Rep. Nass for their bullying of trans-gendered school kids and we review another dysfunctional week at WEDC.
