MILWAUKEE - We welcome former Milwaukee talk radio host and new podcast panelist Earl Ingram to the show. We discuss next Tuesday's spring primary election, this week's vote in the assembly to restrict voter registration and a new conservative bill to give lawmakers access to John Doe records.

Earl and Robert review this week's launch of Citizen Action's Radio Active project to fight back against right wing media.

Jorna also updates us on Paul Ryan's struggles with the right-wing freedom caucus on a budget deal.
