MILWAUKEE - We discuss the inevitable GOP presidential nomination of Donald Trump and whether Republicans from the #NeverTrump camp will publicly oppose him or get on the Trump train with Christie, Gingrich, Walker, Fitzgerald and Ron Johnson.

We review another bad week at WEDC that included revelations a new WEDC board member also sits on the board of company that got WEDC dollars after outsourcing Wisconsin jobs. Gov. Walker also struggles to explain why WEDC hasn't clawed back money from companies that outsourced jobs.

Badger Meter is exploring a sale and Jorna has our Paul Ryan watch update.
