MILWAUKEE - We open by reviewing Hillary Clinton's historic week as she won 4 of 6 primaries and essentially wrapped up the Democratic nomination of president.

The news for Wisconsin's economy was not as good. We talk about new federal data ranking the state 36th in job creation in 2015. The panel reviews a bad week for Paul #I'mwithRacist" Ryan that included his introduction of a new poverty plan.

We wrap up with a discussion about the three elected race-baiting, conservative clowns in Wisconsin who think it's a great idea to cut state funding for Milwaukee because of crime. Jorna also tells us about this weekend's Pride Fest in Milwaukee.
