STATEWIDE - We lead with the new wave of corruption that will inundate Wisconsin because of the SCOTUS's John Doe duck with Matthew Rothschild of the Wisconsin Democracy Campaign

The panel next talks about the surprise departure of Charlie Sykes from right-wing hate radio. (Podcast listeners will not believe what Charlie has to say about our own Robert Kraig).

We dig into the latest Walker photo ID scandal, and the possibility that his voter disenfranchisement law will be enjoined by a federal judge next week.

Finally, Assembly Republicans push for another expansion of private school vouchers and Jorna has the latest installment of Paul Ryan Watch.
