STATEWIDE - We discuss the House Republicans narrow vote on Thursday to pass their disastrous health care plan which will result in 24 million people losing their insurance and allow discrimination against people with preexisting conditions. The panel looks at what's next for GOP health care plan in the Senate.

We also have an interview with Daniel Biss, a progressive candidate for Governor of Illinois. Mr. Biss is running on a bold progressive platform that hopefully will inspire you and a Wisconsin gubernatorial candidate with a similar agenda.
