MIDDLETON — Since announcing his candidacy for U.S. Senate, Russ has visited all 72 counties in Wisconsin to hear firsthand what businesses and workers need to succeed.

At startups like Princeton Audio in Green Lake County and Nelson & Pade Aquaponics in Marquette County, Russ has listened to entrepreneurs share their ideas on how to make a difference in our communities.

Wisconsinites deserves a senator who listens to everyone's concerns, not just those of a few, and that's exactly the kind of senator Russ intends to be.

[WATCH](#) the video below as Russ highlights some examples from his travels across Wisconsin and shares his ideas for creating an economy that works for all Wisconsinites:
