GREEN BAY - [What happens in the next 15 days will determine the future of our state](#) , and you and I know that this election hinges on one thing: turning out voters.

But right now, there are 22,000 voters in Green Bay who voted in 2012 or 2008 but not in 2010. So we're putting a new voter outreach strategy to test that has never been done in Wisconsin to turn out these voters. Imagine a strategy that has increased turnout by 15% in other states, well that's what this effort can bring to Green Bay!

Can you join former Congressman Steve Kagen and myself to be the difference maker in Green Bay this Saturday? [Just an hour or two of your time will make a major impact on the outcome of the election.](#)

Here are the details for the big Voter turnout event:

-

What: Announcement of brand new turnout strategy that can majority impact voting in Green Bay

-

When: October 25th, at 11:30am!

-

Where: Green Bay Education Association, 2256 Main Street, Green Bay, WI

- Who: Citizen Action, myself, former Congressman Dr Steve Kagen and YOU
