

Speech Therapist

Written by Cerebral Palsy, Inc.
Friday, 31 July 2015 10:54 -

GREEN BAY - Cerebral Palsy, Inc. currently has an opening for a Speech Therapist in their Children's Services Department.

The primary role of the Speech Therapist is to provide services to children in the Birth to Three and Pediatric programs. This role will be responsible for the evaluation of the child and the implementation of the treatment plan. The Speech Therapist will also be responsible for appropriate communication (verbal & written) with service coordinators, intake/billing specialists, family members, insurance companies, physicians and Medicaid.

A Master's degree in speech and language pathology or communication disorders is required along with currently being registered and licensed by the State of Wisconsin as a Speech Therapist or be eligible for licensure. ASHA certification of clinical competency or pursuing this certification is also desired.

This is a full-time (40 hour/week) position and is eligible for our full benefit package. For a complete job description please visit our website: www.cp-center.org and click on the "employment opportunities" tab. Please call Human Resources at (920) 337-1122 with any questions you may have regarding this position.
