The Statewide Point in Time Count is an active street count. During this street count, teams of four volunteers go to designated areas throughout Brown County during the overnight hours and look for individuals who are homeless and living on the street or in their vehicles. These individuals are provided with resource information and a backpack filled with hygiene supplies, food & water.

Each team is led by a Team Lead, an individual who has experience conducting the street count. The Team Lead knows the area that will be covered. There are a total of four individuals on each team-one Team Lead and an additional three volunteers. Volunteers can sign up for multiple shifts.

The count starts at 9pm on Wednesday, July 30th and goes to 6am on Thursday, July 31st. If you sign up for the 12am-3am or 3am-6am shift, the date is technically Thursday, July 31st. Shifts Available: 9pm-12am, 12am-3am, & 3am-6am
