The NEW Zoo & Adventure Park is looking for a volunteer (or pair of volunteers) to serve as the EASTER BUNNY for our upcoming EggStravaganZoo event on Saturday, April 4th. The time commitment would be from 8:15am until about 2:30pm. Previous mascot experience is preferred, but training is also available. If a pair of volunteers is willing, the two can take turns wearing the costume. Scheduled break times will be set for the Easter Bunny in advance, so that volunteers are able to step away from the line of visitors to switch costumes, take a drink, or use the restroom/etc.

The person not wearing the costume will need to assist the Easter Bunny with children, and also interact with the visitors, kids and adults. Must be friendly and willing to be outgoing. The person in the Easter Bunny costume is not able to speak to the children/visitors, but will be posing for photographs with the kids while sitting on a large decorated chair. Interested parties need to contact Angela Kowski at (920) 662-2405 or volunteer@newzoo.org . or check it out on our website
