GREEN BAY - Curative Connections Transportation Services Seeking Volunteer Drivers

The Transportation Services Team at Curative Connections is looking for volunteers to drive seniors and individuals with disabilities to vital appointments, places of employment, and social activities. Vehicles provided and insured by Curative Connections. This is a great opportunity for someone who wants to give back to the community, make a difference in the lives of those in need, or students (18+ years) who want to get experience in their field of study (human/social services, medical, therapy, special education, etc.) and/or gain community service hours.

No CDL (commercial driver's license) required. Flexible schedule. Drivers must be 18+ years, have a valid Wisconsin drivers license and good driving record, and complete 2 ride-alongs with current drivers.

To schedule your ride-along, contact Tina Whetung at 920-227-4272
