MADISON - We need accountability for the crimes against our democracy.

That means accountability for Donald Trump.

And it means accountability for anyone in Wisconsin who were co-conspirators in the coup attempt.

On Wednesday, our legal allies over at Law Forward asked Dane County District Attorney Ismael Ozanne to prosecute the Republican false electors. I write about that here:

On the legal beat, I also wrote about the horrendous decision by the Wisconsin Supreme Court late last Friday that infringes on our freedom to vote:

And on the campaign finance front, we noted that Republican fundraising for legislative races in Wisconsin is far outpacing that of the Democrats:
