

Senator Vinehout Not Running for Governor This Year

Posted on Jan 17, Posted by [Kathleen Vinehout, State Senator 31st District](#) Category [Wisconsin](#)

ALMA - After careful consideration I have decided not to run for Governor this year.

The severity of the injury received in the car accident last month -- a splintering of the bone in my upper right arm -- and the time required to recover and rehabilitate make it impossible for me to run the intense, grass roots campaign that I want to run and would be necessary to win.

I have many thanks to give to all the individuals across the state who have encouraged me to run and offered their support in countless ways. I will continue to work supporting the grassroots efforts of so many. The vision we share for our state and our communities will not fade.

I wish success to Mary Burke and others who may offer their time and talents in leading our state.
