Green Bay, Wis. -- On the heels of Ron Johnson breaking his pledge by seeking a third term in the Senate, the Democratic Party of Wisconsin continued its “Self-Serving Johnson” tour in Green Bay, Wisconsin on Wednesday. Dr. Kristen Lyerly and local resident and parent Terry Lee highlighted Johnson’s abysmal record on health care and his opposition to legislation that helps working families.

Johnson’s record of failure in the Senate speaks for itself. Johnson led the charge to repeal the Affordable Care Act and protections for people with pre-existing conditions, changed the 2017 GOP Tax Scam bill in a way that enriched himself and his biggest donors, and voted against tax cuts for Wisconsin families.

In the coming weeks, Wisconsinites in La Crosse, Milwaukee, Superior, and Wausau will hold events highlighting Johnson's self-serving agenda and his singular focus on enriching himself at the expense of Wisconsinites.
